

CHRONOLINK

FOUNDATION

PRESENTATION

CHRONOLINK FOUNDATION • BUCHAREST • ROMANIA

The activities begun in 2022 and 2023 continued and developed in 2024 as we promised our sponsors and partners. Main Activities were focused on Therapies and coordination of the therapies for 120 children in three of our partners centers.

In Mioveni city, Arges County, we have our biggest partner – Wings for Angels - with more than ninety children that come every month and have thousands of hours of ABA Therapy, Occupational Therapy, Logopedic Therapy and Coordination, assisted by specialized therapists.

The input of our Foundation is 130,000 euro per year.

In Ploiesti, Prahova County, we have our second biggest partner - A beautiful Mind Association. They have almost one hundred children and we help constantly 20 of them. For these children we help by paying for their therapies: ABA, Logopedic Therapy, Neurofeedback and Neuroptimal, but also Coordination.

The input of our Foundation is 70,000 euro per year.

CHRONOLINK FOUNDATION • BUCHAREST • ROMANIA

Our third Partner is in Bucharest – Unity of Mind - and we help here ten children by Art Therapy and two children for all the therapies the center provides, like ABA, Logopedic and art therapy.

Here, our yearly input is 33,000 euro.

We also bought an ADOS test, which helps the therapist identify the child's level of impairment in Autism.

This test was 6,500 euro, and it is used for all the children that we help in every center.

In 2024, in order to improve all conditions for the children attending therapy at the Center in Mioveni, we bought 1,000 sqm. plot land where in 2025 we intend to build an entirely new Therapy Center.

OTHER ACTIVITIES

- We went to “Sensorial Garden” in Movila, Dambovită County, a place special designed for children with Autism, where 120 children had activities accordingly to their needs;
- We went on cinema to watch special animation movies In Bucharest, Pitesti and Ploiesti with 60 children;
- We went to Divertiland, in Bucharest, a place where 120 children accompanied by the therapists used the pools for therapeutic purposes;
- In December we organized at JW Marriott, a Christmas party for 120 children where they had the opportunity to receive playful therapeutic activities.

2024 IN FIGURES

We helped 120 children each month with therapy sessions and coordination

- The Smile and Give Association – 130,000 euro yearly – for therapy and coordination of 90 children;
- A Beatiful Mind – 70,000 euro yearly therapy sessions of 25 children;
- Unity of Minds – 25,500 yearly for therapy sessions and coordination for 10 children;
- Unity of Minds – 7,500 euro total for Art Therapy for 10 children.

We also purchased an ADOS test, of 6,500 euro.
This Tests are used to diagnose more preceisly the type of disorder in autism.

We bought a 1,000 sqm plot of land in Mioveni, where we intend to build a Therapy Center – 83,000 euro.
Other activities – 8,000 euro.
